

Our purpose-built indoor climbing centre provides a safe environment to build self-esteem and confidence while experiencing a new sport for fun or when working towards their GCSE and/or NICAS award. Students of all abilities can find the hands-on approach to climbing structured and rewarding.

CLIMBING FOR SCHOOLS

Lower Grange Farm uses nationally qualified climbing instructors, KCC approved and DBS checked. We cater for all young people regardless of ability or special need and can deliver a range of sessions to suit all ages. We run GCSE intensive courses, NICAS Levels 1-4 and our enrichment sessions.

GCSE Intensive Course

Our intensive courses for GCSE Physical Education covers everything needed for the AQA, Edexcel and OCR assessment criteria for Rock Climbing. Many students embrace this non-traditional rewarding sport, make excellent progress and achieve good results. Each student leaves with a wealth of new skills, plenty of footage for evidence and a provisional grade. The course runs over 2½ days.

NICAS Course

The National Indoor Climbing Award Scheme is the recommended course for GCSE Rock Climbing students to follow. We offer this scheme as weekly sessions either through a private booking for your school or individual students can book on to our public sessions through our website.

Duke of Edinburgh Award

Lower Grange Farm provides courses for both the Skill and Physical sections of the DoFE Award. We are located next to the North Downs making us an ideal centre for expeditions and residential. We will work with you to help your students achieve their awards.

Create a bespoke programme that works for your school. We offer consultations upon request. Contact us for details.

BRING THE ADVENTURE TO YOU

If you can't make it to us, we can come to you. We run an outreach programme that brings some of our adventurous activities and experienced staff to your school. Contact us for more information.

See our Early Years, KS3 & above or Corporate leaflet for more offers. See our website for more detail.

Enjoyment. Being Positive. Reflecting. Self-awareness. Feeling Proud.

Inspiring outdoor learning created for you and your group drawing on 100 years of Scouting heritage and delivered by experts in the field.

Here at Lower Grange Farm, we believe that amazing things can happen in the great outdoors. With our expertise of informal outdoor learning and world famous Scouting ethos, we've inspired generations of young people to reach their potential and learn skills for life.

All our instructors are fully qualified and DBS checked. Lower Grange Farm is accredited with the Learning Outside the Classroom Quality Badge and Adventuremark.

Enrichment and Physical Education

Visit us for a termly programme or a one off session during the week. Our enrichment and PE sessions can cost as little as £4.25 per participant for a one hour activity. Develop in one chosen activity or sample a range of what we have to offer. We have something for all ages and abilities. Create a programme that encourages holistic learning and meets elements of the National Curriculum with knowledgeable instructors.

Adventure for All

At Lower Grange Farm we believe that adventure is for everyone. Our team of experienced instructors take pride in the sessions and coaching we offer. We have undertaken training and put in adjustments and measures to ensure that all that come for an adventure at our centre are able to participate.

Residential Adventures

Make the adventure last longer by staying a few nights in your choice of accommodation. Each day has a full programme of activities led by the LGF team including evening activities to see them into the night. Create an experience your class will remember forever.
